SPIDERS' ELEVEN FACE
HARD WEEK'S PRACTICE

Many Flaws and Defects Developed
in Saturday's Game Which Coach
Dobson Will Correct.

HALF OF SCHEDULE COMPLETED

Remaining Games to Be Staged in
Richmond—Four at Broad Street
Park and One on New Stadium at
Westhampton.

Exuberant over their victory achieved Saturday at the expense of William and Mary, the team and rooters of Richmond College are looking forward with interest toward the game which is scheduled for Saturday when the Spiders stack up for the first time this season against the Yellow Jackets. The game will be a regular championship contest and will be staged at Broad Street Park. Interest is added to the contest for several reasons, one of which is, that this game will afford Richmonders their first opportunity of seeing the local team in action.

Another fact which will tend to make the game of interest is that each of the opposing teams have met the other two teams in the league but have not won each. Handovers of national reputation and the battle of gridiron strategy between Coaches Haughton, of Harvard, and Yost, of Michigan, should develop some of the sensational plays for which these football generals are noted. Harvard will be handicapped by the absence of Captain Brickley, the famous drop-kick scorer, but in other respects the Crimson should be able to show an initial line-up fully equal to that which won the Eastern honors of 1913.

Michigan, with Full Back Spawm for punting and drop-kicking; Haughton at quarter, Mulheath and Bockert at half back, has a backfield of exceptional calibre, and one equal in ability to the Crimson trio, Logan, Bradlee and Mahan. The lines of both teams are fast and heavy, and strong in both offensive and defensive play.

Presuming that the eleven enter the game equally strong, the ultimate victory may rest with the coaching staffs and the system of attack which they adopt. Both Haughton and Yost are masters of football strategy, and, because of the importance of the contest, some exceptionally brilliant plays are being developed in all but the hands of the players.

Michigan, which has probably met more Eastern college teams than any other of the football field than any other Western institution, first played Harvard in 1881. In the fall of that year the Wolverines met Harvard, Yale and Princeton all won, Buffalo, 0; Michigan, 22; Carlisle, 0; 1906—Michigan, 0; Pennsylvania, 17; 1907—Michigan, 0; Pennsylvania, 7; 1908—Michigan, 0; Pennsylvania, 28; 1909—Michigan, 14; Syracuse, 28; 1910—Michigan, 14; Syracuse, 0; Michigan, 12; Pennsylvania, 6; 1910—Michigan, 11; Syracuse, 0; Michigan, 0; Pennsylvania, 6; 1911—Michigan, 6; Syracuse, 0; Michigan, 0; Cornell, 0; Michigan, 11; Pennsylvania, 9; 1912—Michigan, 7; Syracuse, 18; Michigan, 21; Pennsylvania, 27; Michigan, 20; Cornell, 7; 1913—Michigan, 43; Syracuse, 17; Michigan, 17; Cornell, 0; Michigan, 13; Pennsylvania, 0.

SPECTACULAR CONTESTS
ON SOUTHERN GRIDIRON

New Upsets in Form—North Carolina and Vanderbilt Stage Closest Battle.

ATLANTA, GA., October 25.—Southern gridirons yesterday furnished a number of interesting and spectacular contests, although there were few upsets in form.

Possibly the most closely contested battle was that at Nashville between North Carolina and Vanderbilt, from which the North Carolinians emerged victorious, 19 to 0, in spite of the strong showing made by North Carolina a week previous against Georgia. It had been freely predicted that Vanderbilt would lose yesterday by a wider margin.

Virginia had little difficulty in defeating Georgia, 23 to 0, on a heavy muddy field. Experts to-day inclined to the belief that as North Carolina won from Georgia a week ago, 41 to 6, the annual game between Virginia and her traditional rivals from Chapel Hill this year would be unusually close, with the result exceedingly doubtful.

Tennessee's defeat of Alabama, 17 to 7, yesterday was not unexpected, in spite of the fact that Tennessee's reported strength had failed to materialize in earlier games. Auburn again showed its strength by winning from Mississippi A. & M., 19 to 6. Sewanee had little difficulty in defeating Florida, 26 to 0, while Georgia Tech also had a fairly easy time winning from the V. M. I. team, 28 to 7.

Football, the so-called "New School" was generally used in yesterday's game, practically all the winning teams employing the forward pass with telling effect.

Gridiron experts are busily engaged in a comparison of results so far this season, in an effort to forecast the result of next Saturday's battle between Vanderbilt and Virginia at Nashville.

NEW YORK, October 25.—The most important international football game of the present season will be played in the Harvard stadium at Cambridge, Saturday, when the Michigan and Harvard teams meet for the first time in twenty-one years. As representatives of the Eastern and Western methods of attack and defense, the two eleven hold high rank in their respective territories. Because of this fact and the excellent records made by both teams in the early games this fall, the result of the contest will be awaited with more than usual interest by followers of football throughout the country.

The personnel of the teams and coaching staffs add greatly to the interest in the contest, since both eleven include players of national reputation, and the battle of gridiron strategy between Coaches Haughton, of Harvard, and Yost, of Michigan, should develop some of the sensational plays for which these football generals are noted. Harvard will be handicapped by the absence of Captain Brickley, the famous drop-kick scorer, but in other respects the Crimson should be able to show an initial line-up fully equal to that which won the Eastern honors of 1913.

WAR HAS NOT CAUSED
OLYMPIC GAMES TO BE FORGOTTEN

In the midst of the great European war the Olympic games have not been forgotten. One of the leading Paris newspapers recently printed the following editorial while the German army was threatening the gates of the city:

"It was announced two weeks ago that the international Olympic committee had decided that the next Olympic games would be held in 1916 at Berlin. This decision, we have been informed, is without foundation. The international Olympic committee has not made this decision. The question will not even be considered."

Whether a transfer is or is not made, the Olympic games will not be held in Berlin in 1916. And for this there are many irrefutable reasons. Neither Russia, France, Great Britain or Belgium will accept participation. The certain victory of the allies will not be a reason for forgetting. No one of them will consent. It is evident, to making Berlin for one month the centre of universal attention.

The Olympic games at New York in 1916 would be quite welcome, but that which would please would be a decision of the international committee fixing them at Antwerp. Since the Olympic Congress, held in Paris, the latter part of June, there has been distributed to the members of the congress a communication edited by a group of athletes under the presidency of King Albert, the heroic Belgian sovereign was formed with a view to having his Olympiad following that at Berlin takes place at Antwerp.

According to Antwerp, the Olympiad of 1916—impossible at Berlin—will be a solution which the entire athletic world will accept with enthusiasm.

INTERESTING BASEBALL
INFORMATION IN STATISTICS

Some interesting baseball information is found in the statistics compiled at the close of the season, covering the work of the six clubs composing the National and American Leagues between April 14 and October 7, 2,508 games were played; 12,509 in the National League and 1,258 in the American League. Total runs scored 3,802 runs, 10,221 hits, and 2,146 errors.

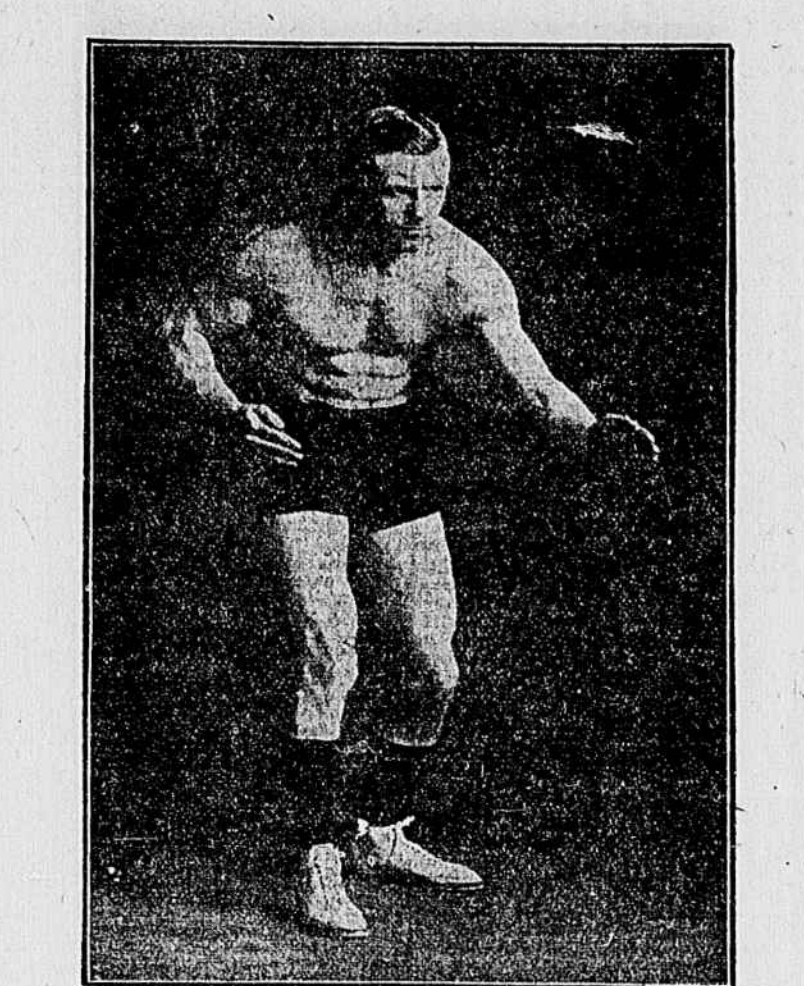

In the National League the New York Giants made the most runs, Brooklyn the most hits, while Philadelphia and Cincinnati tied with the greatest number of errors. The Philadelphia Athletics led the American League with 749 runs, 1,251 hits, while making the

Olympia Play Monarchs. The Olympia Athletics, a colored football team of this city, are all ready for the championship game at Broad Street Park this afternoon, when the Monarch team from Norfolk, Va., will be the rival combatants.

This is the first time that these teams have met, and a hard fight will likely be staged.

WRESTLERS PREPARING
FOR FRIDAY'S BOUTS

Two Matches to Be Featured by Middleweight—Ticket Sale Opens To-day at Academy Box Office.

John Kilonis, who is paired with Otto Zynackio in a finish wrestling bout at the Academy of Music Friday night, will grapple Wednesday night at Norfolk, and expects to use this bout as a workout for the event here. Kilonis is always in condition, and needs very little work to place him in shape for his matches.

Joe Turner is also preparing for his set to with Montano. Turner is meeting all comers at Washington, and is now in the best shape of his career. Both battlers, with their opponents, will arrive in the city Thursday, and will only need light gymnasium exercise on that day.

The ticket sale opens to-day at the box office of the Academy, and, judging from the number of requests for reservations, will be a large one.

The public, at least that portion taking an interest in wrestling, have had a surfeit of heavyweight matches, and, in answer to a demand for more action, middleweights will grace the program in the coming events.

The four grapplers are noted for their activity and willingness to mix matters, and two good bouts are in prospect. The matches will be to a finish, with strangle and toe holds barred.

HARWOOD LEADS IN
BILLIARD TOURNAMENT

Has Won His Two Starts in Three-Cushion Match at Superior Parlor.

The handicap three-cushion tournament being played at the Superior billiard parlor is creating interest. In the first match, Warfield (20), defeated Dabney (22), by the score of 20 to 9; Williams (25), won from Bryant (22), by 25 to 17.

Saturday two very interesting games were played. Strain (23), losing to Warfield (20), by 20 to 20, and also Dabney (22), by the score of 22 to 18. Harwood continued to lead, having played two games, winning both.

The others are within striking distance, and some hotly contested games can be looked for as the series continues.

Games this week will be between Dabney and Harwood, Bryant and Harwood, and Williams and Warfield.

Best Mark Is .420.

SEVEN IN THE .300 CLASS

Wilson, Hendrickson and Wyckoff
Have Perfect Marks, Former Pair
in Two Games and the Latter in
One—The Heavy Hitters.

J. Franklin Baker no longer can lay claim to being the only athlete in captivity who has batted .300 or better in three world's series, for Johnny Evers, by rapping the sphere for .437 in the recent arguments between the Braves and the Athletics, got into the Marylander's class.

The National League Chalmers car winner of 1914, in 1907 and 1908, ran up an average of .350 against Hugh Ambrose Jennings' slabsides in his record against Fletchier Jones' artillery in 1906 having been a miserable .150. Baker and Eddie Collins are the only pair of players who have twice batted over .400 in baseball's annual classic, the man who won the Chalmers car among the American Leaguers this season being one of seven pastmasters who have twice been members of the World's Series Society of the Three Hundred. The other six are "Chief" Meyers, of the Giants; Frank Schulte, of the Cubs; Frank Chance, of nowhere; Jack Barry, of the White Elephants, and Duggie Murphy and Artie Hoffman, of the Brookfords.

Not taking into consideration morning glory performers like Art Wilson, Olaf Hendrickson and J. Weldon Wyckoff, the high batting percentages for world's series by positions are as follows:

Hall, of the Red Sox, for the pitchers, with .750; Gowdy, of the Braves, for the catchers, with .545; Chance, of the Cubs, for the first basemen, with .421; Evers, of the Braves, for the second basemen, with .437; Steinfeldt, of the Cubs, for the third basemen, with .470; Barry, of the White Elephants, in the shortstops, with .365; Sebring, of the Pirates, for the left fielders, with .366; Cobb, of the Tigers, for the centre fielders, with .368, and Schulte, of the Cubs, for the right fielders, with .359.

The names of all the men who have hit .300 or better in the various world's series are given below:

CRACK SHOTS VISIT
WEST END GUN CLUB

Experts Clarke and Joslin Take Part
in Regular Weekly Events.
Jerman High Amateur.

TEAMS RUN A CLOSE RACE

Season Closes Next Saturday—Several Matches on Wednesday's Program—Conditions the Same as on the Hunting Field.

The shooters of the West End Gun Club had the pleasure of seeing the expert, Homer Clarke, shoot last week, who is one of the quickest shots seen here, centred his birds and broke them before they got twenty yards from the trap.

William B. Jerman was high amateur, going his first thirty straight. None of the amateurs had a look-in with him, and but for one bad session he would have tied Clarke. Seven men fell in the thirty-nine hole. The rub of the green shot on their part, and they could not reach the coveted forty holes.

In the twenty-gauge gun races Flippen was high. The club had as its guests H. Clarke, W. B. Jerman, experts, and Frank Michaux, of Powhatan County, a corking fine field shot who broke over a percent of his targets with a strange gun. He had never shot clay targets before, and his score was a good one, considering conditions.

In the team races headed by Jerman and Flippen (who outmatched Eanes for the leadership of the second round), Jerman again came out on top, beating Flippen's team by three birds.

First team—Jerman (captain), 21; Tignor, 21; Eanes, 20; St. George Anderson, 19; P. B. Watt, 19. Total, 100.

Second team—37; Easley, 22; M. D. Hart, 22; P. J. Flippen (captain), 20; C. Cooke, 18; C. W. Williams, 15. Total, 97.

There are only two more shoots, next Wednesday and Saturday, after which the season will close. These shoots will begin at 3:30 o'clock on account of the light, and getting dark before the regular scores can be shot if started later.

Next Wednesday there will be several matches, and the shooter will stand at the side of the trap instead of right behind, which favors, just the kind of shots they are likely to get in the hunting fields. The scores:

Homer Clarke, 49; William B. Jerman, 47; P. J. Flippen, 44; W. H. Eanes, 42; "The Tiger," 37; George Easley, 42; M. D. Hart, 41; L. Rueger, 40; W. A. Hammond, Sr., 39; P. B. Watt, 39; Charles E. Cooke, 38; St. George Anderson, 38; Robert G. Cabell, 38; William Rueger, Jr., 37; Arthur Campbell, 37; Clarence W. Williams, 37; Easley, 37; Jackson, 37; Joseph H. Crenshaw, 37; W. Gordon Harvie, 35; Cary Sheppard, 35; W. B. Jerman, 33; W. G. Bragg, 33; Frank Michaux, 32; Robert T. Bibb, 23; Stonewall Breslau, 17; Hugh B. Flippen, 16.

*Professionals.

Class leaders were: William B. Jerman, 47; J. C. Tignor, 40; Cary Sheppard, 37; W. G. Bragg, 33; R. T. Bibb, 23.

Winners' legs on the Lumsden trophy cup: John C. Easley, St. George Anderson, Robert G. Cabell, P. J. Flippen, Charles B. Cooke, P. B. Watt, T. A. Crenshaw.

Next shoot Wednesday at 3:30 P. M.

RESULTS SATURDAY FAIL
TO CLEAR THE SITUATION

Four Undefeated Central States Eleven Came Through Victorious—Semi-Final Battles This Week.

CHICAGO, ILL., October 25.—From the upsets which featured yesterday's football in the Central States, critics believe schedule makers will realize they cannot expect a team to be at great efficiency for big games within a week of each other. Chicago expected, the leading mid-western eleven which were in hard battles a week ago yesterday, either were beaten or played far below the form expected.

Results did little to clear the championship situation. The four undefeated eleven: Chicago, Minnesota, Illinois, Wisconsin came through still victorious. What amounts to a semi-final to semi-final battles will occur this week.
